LIFE CONNECTIONS OF THE CAROLINAS, INC

Life Connections of the Carolinas Inc., a leader in life skills programming and coaching in the Carolinas, has developed **-D-A-S-H- STRENGTHENING FAMILIES PROGRAM**, which provides youth between the ages of 12 and 17 and their families with an exceptional educational experience. The program, which is research based and deemed a best practice, educates teens and their families about how to create a stronger and healthier family. Through helping each family self-evaluate the effectiveness of their own belief systems, identify the principles they want to live, and through implementing family practices that support these principles, each family will begin the process of becoming the family they really want to be.
